Submissions: Original manuscripts on subjects pertaining to large lakes of the world are considered for publication in the Journal of Great Lakes Research. Submissions may be from any discipline providing they meet the Association's goal of advancing knowledge on, or promoting a better understanding of, large lakes. Manuscripts may be in the form of research papers, reviews, or technical notes. Commentaries, in the form of letters or essays, are also welcome. Manuscripts should be submitted to the Editor. Four double-spaced copies of the manuscript with an abstract not to exceed 250 words should be submitted. Detailed instructions for contributors can be found in the first issue of each year.

Page Charges: A page charge of $40 for members and $50 for non-members is currently levied to partially cover publication costs.

Disclaimer: The Journal and the Association accept no responsibility for statements made by contributors. The use of proprietary names does not imply endorsement of a product or a company.

Use: Material in this journal may be copied for the non commercial purpose of education or the advancement of science without the need to seek specific permission.

Back Issues: Copies of Journal issues for the current and previous year can be purchased for $15 + $2.50 S&H. Orders and inquiries for other issue prices can be sent to the business manager (below).

Association Membership and Business: Correspondence related to Association membership, change of address, and other Association matters should be sent to the business manager, Ms. Wendy L. Foster, IAGLR Business Office, 2200 Bonisteel Blvd., Ann Arbor, MI 48109-2099, USA, 313-747-1673, FAX 313-747-2748, home 313-498-2007.
